## SPEDO 2400 FORMS CUTTER

The Spedo 2400 Forms Cutters balance of speed, flexibility and reliability make it the perfect choice for today's hardest working print finishing and mailing houses.

The intuitive colour touch screen operator panel includes an on-screen photographic parts catalogue and an extensive use menu which gives total control over all aspects of the machines functionality.

The guided in-feed system improves the cut accuracy and web control when running on-line with additional equipment.
